# 2022-2023 EVENT SPONSORSHIP OPPORTUNITIES

## EVENTS PACKAGE OVERVIEW

North Carolina's construction and real estate market is booming, which means getting your firm's brand in front of the right people has grown substantially more complex. SMPS Charlotte offers your firm a valuable opportunity to reach premier architectural, engineering, construction and real estate development companies in the Charlotte area through our Events Sponsorship package.

Through our monthly luncheon programs and events, SMPS Charlotte puts your company directly in front of key decision makers- Principals, CMOs, Business Developers and Marketers- all of whom purchase products and retain services for the needs of the firms.

Worried about competitors diluting your brand and message through a competing sponsorship? With an SMPS Charlotte Event Sponsorship, you don't have to worry! Event sponsorships are limited to three non-competing firms. As an added benefit, Event Sponsors receive exclusive networking access with program speakers/panelists prior to the program for networking. By sponsoring one of SMPS Charlotte's programs, you are establishing your company as a supporter and collaborator of the organization's mission to secure profitable business relations for the A/E/C community.
